Brothers,

I would like to thank you for your vote of confidence in electing me to the East for the ensuing year 2012! It has been a distinct pleasure and honor serving the Craft.

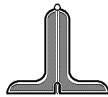

This year is shaping up to be a very busy one. Many family events are scheduled and I encourage the entire community to attend. One of our goals this year is to be more "family friendly." Some of the events scheduled are attending a Clearwater Phillies Game, hosting a sweethearts dinner and finally participating in a pool tournament. Just to name a few.

The line of Officers that have been elected / appointed are some of the finest in the District. We are so lucky to have them as members of our Lodge. They have already been working hard and are hitting the ground running.

January 5th Bro. Brown & Sauls will be raised to the sublime degree of Master Mason. Please come out at 6:15pm and join us for dinner before the degree. This will be a great evening and W.: M.: Villiaume III's last degree in the East.

Lastly, our installation of Officers will be on January 14th. M.:W.: Robert P. Harry Jr. will be the Installing Officer. R.:W.: Henderson and R.:W.: Hoover will also be participating in the ceremony. Dinner will begin at 5:30pm with the installation beginning at 6:30pm. Come out and celebrate a new year with your Lodge! Your support is always welcome and appreciated.

Fraternally,
Matthew Winters, Worshipful Master Elect

Senior Warden's Writings

Foundations

My articles this year will be looking at life from an operative Masons' as well as a speculative perspective. Foundations are critical to the construction of any building or edifice. The foundation is the principal support for any structure. Without a solid foundation the building would crumble and fall in no time. The most solid of foundations are built upon bedrock. I challenge each of you to think about this aspect of our craft.

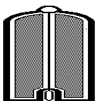

For me the foundation of our lodge is not the footing or concrete slab upon which the temple is built but it is the Brothers and Sisters who have chosen to come together to work, maintain and build a lodge for all to enjoy. It is our duty to build new Masons to steward the lodge from one generation to another. To maintain and improve the physical plant of the lodge as well as to teach and nurture the knowledge of our new Brothers. We should be showing them how to work together and make things happen.

Knowledge is a foundation of wisdom. Wisdom is the power to utilize knowledge for the benefit of all involved. Our work should be the implementation of wisdom and hopefully, good choices. While we work this year to improve the physical plant, of the lodge, I hope each of you will take the time to impart your knowledge and or strive to learn from those more experienced. Work hard, work efficiently and work with a sense of urgency and purpose.

To improve the quality and quantity of the Craft, I challenge you to get out into the community and be involved. Volunteer for charities and foundations. Volunteer for the child ID program. Get out and walk uprightly, show off that you are a Mason. Give people a reason want to become a Mason. When a Brother puts out the call, be ready to show up in force. We can make a huge impact and a show of force by working together.

P.S. The Fish Fry is in sight – let's make this one huge. Get a fish fry t-shirt and at least 10 tickets. Make your goal to sell 20 and we will have a really great year.

Junior Warden's Journal

I would like to thank the Brethren of Nitram Lodge for electing me to the South. I hope that I can live up to the incredible standards set by Brother Pankonie, and his wife Maggie, who both worked very hard this past year to bring us wonderful meals for all of our events. The 2nd Annual Holiday dinner last month was a truly great event, thanks to their efforts, as well as those of all of the Brothers who participated.

We are looking forward to another busy year. We will continue to have a Monthly Breakfast on the first Saturday each month from 9-11 AM, as well as having a dinner before each degree. In addition, we plan to have a large event each quarter of the year: the Annual George Washington's Birthday Fish Fry will be the first one coming up on February 19, from 11 AM to 3 PM. We will again have the Stewards BBQ Bash on Fathers' Day in June, and the Holiday Dinner in early December. New this year, we plan to have a Shrimp Boil in the Fall, with a date to be determined.

I am looking forward to seeing you all at these events this year. If you have any suggestions of how we can make them better, please let me know.

From the South,

Bill Sundquist, Junior Warden Elect

Secretary's Scribe

Brethren,

A New Year is upon us and I can only hope that this is a better year for not only you, but your Lodge also. Times are tough, but we as Mason can over come all adversity.

I would like to send a message to all our Brothers who, like others find themselves in some financial difficulties. Your dues are important to you and your Lodge. Make two or three payments if necessary to get your Lodge due paid. Contact me and let me know, and arrangements can be made. Your Lodge has suspended 8 members in 2011 for NPD. This could have been avoided if the members may have done the same as mentioned above. We strive to make 100% of members in current dues payment. I wish we could. Your assistance is the only way this can happen. If you find your self in financial straits, contact me and let's talk.

Lastly, I would like to thank the membership for having the confidence to again elect me as YOUR Lodge secretary. I will strive to keep all aspects of my duties in the forefront with you the Brethren in mind. This is your Lodge. Support it, and be proud of it. Be proud of your membership in Masonry.

Rick

Treasurer's Thoughts

Treasurer's Thoughts

January is here, my Brothers, and that means a new line of officers. The Installation will be on the 14th, so come out and meet your new "line". Congratulations to all the newly elected and appointed officers, and I wish a great year for all. There will be many things happening, so stay tuned to this trestle board to get all the dates and facts. If you haven't been here for awhile, please try to get here to see all the improvements. You'll be very glad that you came.
